MEMORANDUM FOR MAJOR GENERAL FAURER USAF

Subj: Strategic Warning Staff

Encl: (1) Draft Request

1. At a recent Military Intelligence Board meeting you discussed the lack of Service participation on the Strategic Warning Staff and requested that the Services consider filling the unoccupied billets. Liaison by my staff indicated a requirement for a major/lieutenant colonel with expertise on the Far East (particularly North Korea.)

2. I believe that Marine participation would be beneficial to the SWS and useful to the Marine Corps. A formal request from DIA will be required. Enclosure (1) is a draft letter and is provided for your consideration. Unfortunately, I cannot predict what the final HQMC decision will be to such a request, but am prepared to support it.

A handwritten signature in dark ink, appearing to read "W. Wentworth", is located below the main text of the memorandum.

W. WENTWORTH

Colonel, U.S. Marine Corps  
Director of Intelligence
